Dear Upper Red Lake Association,

Please accept this letter from the Blackduck Development Corporation (BDC) in support of the opposition of Minnesota State Legislature HF4780 & SF5080. We are a non-for-profit organization incorporated to provide programs, offer services, and engage in other activities that promote and support this community. The BDC is involved in a variety of activities including economic development, education, community organizing, and real estate development.

In summary, we will support all local efforts to strongly oppose HF4780 & SF5080. The BDC's economical interest in the City of Blackduck and surrounding communities would be greatly affected if these bills were to pass the Legislature.

Sincerely,

Daryl Lundberg, President

Jason Brodina, Vice President & Director

Grant Frenzel, Treasurer & Director

Christina Regas, Secretary & Director

Misty Frenzel, Director

Kevin Erpelding, Director
